MIG 21

migratory interdisciplinary grid 21
international art exhibition on the topic
of migrations

You are kindly invited to attend the
opening of the MIG 21 art exhibition.
Numerous artists will be present at the
event, and you are hereby cordially
invited to see their works.

MIG 21, an international art exhibition
on the topic of migrations, opening
on Friday, 7 October 2016 at 7 p.
m. at KIBLA PORTAL, proposes an
entirely humanist response to a clearly
political question, thus connecting
50 exhibiting artists from Slovenia,
Croatia, Bosnia Herzegovina, Serbia,
Macedonia, France, Germany, Russia,
Poland, the Czech Republic, Japan,
USA, Mexico, Canada and Australia.

The event will be held under the
honorary patronage of the president of
the Republic of Slovenia Borut Pahor.

The exhibition MIG 21 is the first in a series of
large-scale international events of the four-year
project Risk Change (2016–2020), co-financed
by the Creative Europe program of the European
Union. The project is also supported by the
Municipality of Maribor and the Ministry of Culture
of the Republic of Slovenia.
